

K-LOVE serves me as a resident of the local community by giving commercial-free, listener-supported Christian music. I support their effort and am greatly encouraged by their efforts.

The effect on my community if K-LOVE were to be displaced would be no choice in whether I wanted commercial radio or commercial-free radio. I support commercial-free radio, however, not Satellite radio. Also, there are no other local Christian Contemporary stations available in this area.

This service provided by K-LOVE is in the public interest because of its ministry as well as wholesome, quality, family-friendly programming. Thanks.
